MOW Loves Pets Grant

Press Announcement

The Washington County Commission on Aging, Inc. is proud to announce that it received \$1,500 from the Meals on Wheels Loves Pets initiative. Grant funds will be used to provide food, supplies, and veterinary care for Washington County Meals on Wheels clients with pets.

“Pets are important members of our Meals on Wheels clients’ families. In addition to providing companionship our client’s pets also help combat feelings of loneliness and isolation,” said Amy Olack, Executive Director of the Washington County Commission on Aging, Inc. “This grant will help our Meals on Wheels program further serve the people of Washington County and their furry friends to remain living at home with dignity.”

In total, Meals on Wheels America granted \$300,000 to 193 local Meals on Wheels programs throughout the United States through the Meals on Wheels Loves Pets initiative this year. Funding is made possible in part through a donation from Banfield Charitable Trust. To date, the grant program has distributed more than \$2.4 million in funding and pet food donations.
